

Powering the

COMPANY OVERVIEW

Connexr is an Enterprise Managed Solutions Partner (MSP) dedicated to transforming education through technology. We partner with universities to build intelligent ecosystems that improve student outcomes and operational efficiency.

From unifying fragmented academic data (LMS/SIS) to deploying generative AI teaching assistants, we take ownership of your digital learning infrastructure, ensuring scalability and measurable student success.

KEY DIFFERENTIATORS

-  **Student Success Focus**
-  **LMS & SIS Integration**
-  **Managed Edu Systems**
-  **Generative AI Tutors**

REPRESENTATIVE PROJECTS

RETENTION

Student Success AI
